## Do you know how much a trip to the emergency room could cost you?

An accident insurance plan provides benefits to help cover the costs associated with unexpected bills. You don't budget for accidents if you're like most people. When a Covered Accident occurs, the last thing on your mind is the charges that may be accumulating while you're at the emergency room, including:

- The ambulance ride
- Use of the emergency room
- Surgery and anesthesia
- Stitches
- Casts
- Wheelchairs
- Crutches
- Bandages

You get the picture. These costs add up—fast. You hope they never happen, but at some point you may take a trip to your local emergency room. If that time comes, wouldn't it be nice to have an insurance plan that pays benefits regardless of any other insurance you have? This group accident plan does just that.

### PORTABLE COVERAGE

When coverage would otherwise terminate because the employee ends employment with the employer, coverage may be continued. The employee will continue the coverage that is in force on the date employment ends, including dependent coverage then in effect.

The employee will be allowed to continue the coverage until the earlier of the date the employee fails to pay the required premium or the date the group master policy is terminated. Insurance for an insured Spouse or Dependent Child will terminate the earliest of: (1) the date the plan is terminated; (2) the date the Spouse or Dependent Child ceases to be a dependent; (3) the premium due date following the date we receive your written request to terminate coverage for your Spouse and/or all Dependent Children.

### BENEFIT EXTENSION

If an employee's coverage ends due to: (1) termination of employment other than a plant closing or partial closing, his insurance under this plan will be continued for 31 days. (2) a plant closing or covered partial closing (as defined by law), his insurance under this plan will be continued for 90 days.

Premiums must be paid during the benefit extension.

If an employee becomes eligible for any other similar benefits, any extension under this plan will cease.

### EFFECTIVE DATE

The **Effective Date** for an employee is as follows: (1) An employee's insurance will be effective on the date shown on the Certificate Schedule, provided the employee is then actively at work. (2) If an employee is not actively at work on the date coverage would otherwise become effective, the Effective Date of his or her coverage will be the date on which such employee is first thereafter actively at work.
