

*He listens to our veterans when they are defending our country.
He listens to our fire fighters when they are protecting our communities.*

Now, Stephen Lynch wants to be our voice in the U.S. Senate.

A leader in Congress, Stephen Lynch has made our troops fighting overseas a priority. Visiting Afghanistan 8 times to ensure our troops were getting what they need.

Lynch successfully fought the closure of the VA in Brockton, West Roxbury, and Jamaica Plain.

A strong advocate for increased research and treatment for Traumatic Brain Injury for our returning service members.

Stephen Lynch successfully secured funding for a state-of-the-art spinal injury center at the VA hospital in Brockton.

The senior member of the House Oversight and National Security Subcommittee, Stephen Lynch is working to ensure all our troops are brought home safely.

Stephen Lynch continues to support the Post 9/11 G.I. Bill to increase benefits for Veterans and their families.

As more of our service members return home and leave the military, it is also crucial that we help them transition successfully to civilian life.
